

Hello, my name is Lea, I'm from Germany and I study Baltic Management Studies\* (B.A.)

**I decided to study at the University of Applied Science, Stralsund because ...**

I wanted to work in an international framework and the Bachelor course is unique in Germany.

**I study Baltic Management Studies because ...**

the course gave me the possibility to study economics and to learn a second language besides English.

**I especially like ...**

Scandinavian countries and languages.

## The Hanseatic Town of Stralsund as location to study is ...

perfect if you like the ocean, water sports, untouched nature and an old beautiful town.

## After my graduation ...

I would like to work in the area of international trade.

Do you have any questions?
