Before you enrol in your first semester as a non-Erasmus+ student, please transfer according to your letter of acceptance/admission:

HOST Card

The HOST Card is your student ID. You will receive it with your matriculation documents after your personal enrolment. You can load money onto the card at the terminal in house 3, between the cafeteria and the dining hall. It can be used for the following purposes:
- To pay for meals in the dining hall (Mensa) and the cafeteria
- To use the printers and scanners in the PC pools

Matriculation certificate

Your matriculation certificate contains important information:

- **Certificate of Study**
  You can use this whenever you need proof of your enrolment or student status, e.g. for your health insurance company.

- **Your email address and password**
  This is your official student email address. Check it regularly; all communication from the university will be sent there. It also serves as your login data for our online portal and WiFi access.

Learning Agreement (only for exchange students)

All exchange students at Stralsund University of Applied Sciences need to complete a learning agreement. This is a list of the classes that you plan to take during your stay. During your first weeks at the university, you will have an appointment with an advisor to discuss your learning agreement and any changes you may want to make.

ECTS Coordinators (only for exchange students)

HOST has an institutional ECTS coordinator and one ECTS coordinator for each of the three schools. They are responsible for transferring your grades and credit points into the ECTS. The main ECTS coordinator also needs to sign your learning agreement.

- Application form for residents permit
- Your passport and a copy of the first page and last residence permit
- Proof of sufficient financial resources (e.g. blocked account)
- A membership certificate from your health insurance company (the card is not enough)
- Your rental contract such as a copy

Foreigners’ Registration Office Stralsund
Marienstraße 1, 18439 Stralsund
Phone: +49 (0)3831 35721 - 46 or – 41

Opening hours:
Tue.: 9.00 a.m. - 12.00 a.m.
       1.30 p.m. - 6.00 p.m.
Thu.: 9.00 a.m. - 12.00 a.m.
       1.30 p.m. - 4.00 p.m.
Health insurance

In order to enrol at HOST, you need a valid health insurance certificate. For students from **EU countries**, the European Health Insurance Card (EHIC) is sufficient.

For students from **non-EU countries**, there are two options:

1. Health insurance from your home country
   Please provide a copy of the insurance policy in English. Take the papers to a German public health insurance company in Stralsund and ask for a document confirming that your health insurance is accepted in Germany and you do not need to purchase additional insurance. This document is called “Befreiung von der Versicherungspflicht”. If you are not fluent in German, ask your Buddy to come with you.
   This document is sufficient for enrolment. However, it is not a guarantee that your insurance will cover all costs in the event of an illness or accident, as costs related to health are high in Germany. If you want to be on the safe side, consider taking out German public health insurance.

2. German health insurance
   German health insurance companies offer policies for international students. We recommend taking out public health insurance like TK, BARMER, DAK or AOK. In case you need to go to the doctor or a hospital you are on the safe side with one of these insurances.

   If you are over 30, you are free from the insurance obligation. Nevertheless, it is your duty to be covered in cases of medical intervention. You can either take out a public health insurance or a private health insurance which is usually cheaper. The “Deutsches Studentenwerk” has made a deal with VELA for a good price.

Liability insurance

It is highly recommendable that you also take out liability insurance, which covers damages caused by you (e.g. breaking windows, carrying bed bugs etc.).

Opening a bank account

If you have a European bank account (for SEPA) already, you may skip this step.
If you do not have one, you need to open an account here in Stralsund so that you can pay your rent, administration fees, etc. Ask the bank advisor whether you will have to pay a monthly fee, as bank accounts are usually free for students. Remember to bring:
- Your ID card or passport
- Confirmation of your student status (e.g. your letter of acceptance)
- Your address in Stralsund

International Event point (IEP)

The International Event Point aims to bring together German and international students and to improve the internalization on campus. They organize several activities, e.g.:
1. International Get Together – Regular events every two to three weeks with varying activities were International and German students come together to chat and have fun.
2. Tradition Edition – IEP members explain the meaning and traditions of important holidays in Germany, so that you have the chance to better understand your host country.
3. Trips with a group of students (German and international) to visit places in our region.
4. Information Events – (re)presenting the IEP at various occasions at the HOST.

4) Exams

Registration for exams

You need to register online for any exams that you want to take at the end of the semester. Remember that you can only do this during a fixed two-week period; you can check the dates for the current semester on page 3 of this guide. Registrations after this period will not be accepted.

How to register:
- Go to: https://qis.fh-stralsund.de/qisserver/rdss?state=user&type=0
- Log in with your name and password (on the matriculation certificate)
- Select “Prüfungverwaltung”
- Select “Prüfungsanmeldung/abmeldung”
- Tick “Ich akzeptiere”
- Press “Weiter”
- Click on the folder and sign in

If you cannot find your exam online or if there is a technical problem, please write an email to the student support centre for your course (have a look at page 14). This email should say:

“Hiermit melde ich mich verbindlich für folgende Prüfungen an:“

1. Exam title, course title, name of the Professor
2. Exam title, course title, name of the Professor
3. …

Your name, matriculation number, date and signature

Note:
- You need to register for each individual exam!

Withdrawal from exams

If you decide not to take an exam that you already signed up for, you can withdraw from it until a fixed deadline. You can find the deadline in the academic calendar on page 3 of this guide.

The procedure is similar to the registration process:
Select “Angemeldete Prüfungen” (exams registered for) and then “Abmelden” (withdraw).

Finding your results

- Log in on the website with your login name and password:
  https://qis.fh-stralsund.de/qisserver/rdss?state=user&type=0
- Select “Prüfungsverwaltung”, then “Notenspiegel”, then “info” button next to the folder
5) Re-enrolment and Exmatrikulation

Re-enrolment
If you are staying at HOST for more than one semester, you need to re-enrol. You can do this simply by paying the administration fee for the next semester within the re-enrolment period. You can check this time frame in the academic calendar on page 3 of this guide. At the beginning of the re-enrolment period, you will receive an email with the bank details and information on the current administration fee. In case of Erasmus+ and other exchange students, please hand in the application form on “Extension of Exchange/Erasmus+” until the deadline.

Exmatriculation: De-Registration from the University
All good things must come to an end, so the final step of your stay in Stralsund is the exmatriculation from the university. The exmatriculation form is available in the waiting area in House 1 or on the official homepage of the university: https://www.hochschule-stralsund.de/en/studying-and-teaching/my-studies/formulare-und-antraege/
You have to fill out the front page, sign it and hand it in at the International Office (House 1 Room 128).
Note:
All students need to exmatriculate before they leave. Exchange students also need to fill and sign the Consent of Release form. If you do not do so, you will not receive your transcript of records and confirmation of stay.
