

Please identify the modules from your first professional degree (Bachelor or equivalent) through which you meet the admission requirements. This form must be completed and submitted together with the required official supporting documents. Incomplete forms or missing required evidence may lead to exclusion from the application procedure.

Application number:

Family name, given name:

Email address:

University and country of first degree:

Eligibility self-check - complete before filling in this form

Please do not submit an application if you cannot document all four requirements below with official documents from your previous degree. The final decision on admission remains with Hochschule Stralsund.

Self-check question	Yes	No
I can document at least 20 ECTS in Management.		
I can document at least 10 ECTS in Mathematics and/or Statistics.		
I can document at least 5 ECTS in Business Computing, Information Systems, Computer Science or equivalent.		

If you select "No" for any requirement, please do not submit an application.

Instructions and evidence rules

- Complete all four sections. List only modules that you wish to have considered for the relevant requirement.
- Enter the exact module title as shown in your official transcript of records.
- Attach the official module descriptions for every module listed. Please submit only the relevant pages or individual official module descriptions; complete module handbooks will not be reviewed.
- For every listed module, provide the file name and page number of the attached official module description, or an official university URL.
- If your degree does not use ECTS, state the credits awarded by your university and attach official information on the credit system and workload. Hochschule Stralsund will determine the ECTS equivalence.
- A module may not be counted in more than one category unless official documentation clearly identifies separable relevant components and their credit allocation.
- For combined modules, claim only the credit share that is officially documented as relevant to the respective category.

(1) Management (minimum 20 ECTS)

Degree programme:

Exact module title as shown on transcript	Credits awarded	Relevant content / learning outcome copied from the official module description (max. 25 words)	Evidence reference: file name + page / official university URL	Credits claimed for this category
