

International Events Calendar Summer Semester 2021

Annotation: The International Office and the International Event Point (IEP) are happy to offer you a variety of events this semester. Nevertheless, please consider that we are in the middle of a pandemic and therefore most of the events will be ONLINE. Please note that it might come to changes or even cancellations of events planned. In order to stay updated and get the links to join the events check your e-mails and our social media posts regularly.
