

CHECKLIST FOR STUDENTS ATTENDING EXAMINATIONS ON SITE IN THE WINTER SEMESTER 2021/22

The **3G rule** applies. This means that access to the university requires **full vaccination, recovery or testing**.

Access to the university requires from all persons either

- digital or, alternatively, written proof of full immunisation against the SARS-CoV-2 coronavirus; and/or
- proof of recovery; and/or
- submission of a negative test result for SARS-CoV-2 coronavirus. Proof of testing may be in the form of a written or electronic certificate of a PCR test (valid for max. 48 h) or a PoC antigen test (rapid test, valid for max. 24 h). Self-tests and tests from non-certified providers will not be accepted.

For vaccinated and recovered persons, a self-test is additionally recommended.

The corresponding proofs are to be presented within the scope of the check.

- **No participation** in examinations being held on site for

 - persons who have been ordered to take a test for COVID-19 in the period between receiving the order and until self-isolation at home has been lifted by the Public Health Office.
