Goal of the conference
The goal of the conference is to bring together:
- presentations of the latest achievements in mechanical engineering as to enable joint applications for European grants
- transfer of experience and information in the field of implementation of European curricula in academic education at technical universities
- industrial implementation of research results
- establishing of new personal contacts and strengthening of existing relations between scientists and general to foster discussion and exchange of knowledge.

Conference organiser
The conference is organized by the faculty of mechanical engineering at the University of Applied Sciences Stralsund.

Patronage
The conference is under the patronage of the Minister for Education, Science and Culture of the State of Mecklenburg-Vorpommern, Birgit Hesse (requested).

Scientific committee
Prof. Dr.-Ing. Heiko Meironke (Chairman)
Prof. Dr.-Ing. Matthias Ahlhaus
Prof. Dr.-Ing. habil. Albert Baars
Prof. Dr.-Ing. habil. Janusz T. Cieśliński
Prof. Dr.-Ing. habil. Krzysztof Kaliński
Dr.-Ing. habil. Jacek Kropiwnicki
Dr.-Ing. habil. Krzysztof Lipiński
Prof. Dr.-Ing. Petra Maier
Prof. Dr.-Ing. habil. Danasz Mikielewicz
Prof. Dr.-Ing. Peter Roßmanek
Prof. Dr.-Ing. Sławomir Smoler
Prof. Dr.-Ing. Janusz A. Szymczyk

Conference schedule
- **Wednesday, 11 October 2017**
  
  Day of arrival, 17:00 - 18:00
  Registration in the Conference Office
- **Thursday, 12 October 2017**
  
  08:30 - 09:00
  Registration in the Conference Office
  09:00 - 09:20
  Reception of the Rector
  09:20 - 12:20
  Plenary lectures
  12:20 - 13:20
  Lunch
  13:20 - 15:20
  Plenary lectures
  15:20 - 17:00
  Poster presentation and discussion
  18:00
  Social event
- **Friday, 13 October 2017**
  
  09:00 - 11:50
  Plenary lectures
  11:50 - 12:50
  Lunch
  12:50 - 15:40
  Plenary lectures
  18:00
  Social event

Conference venue and date
The 23rd International Symposium „Research – Education – Technology“ is hosted by the University of Applied Sciences Stralsund, faculty of mechanical engineering on the 12th to 13th October 2017.

Fees
The amount of 150€ per participant will cover costs of proceedings and of participation in the conference events.

Accommodation
Special arrangements with selected hotels are available upon request.

Deadlines
- **15 May 2017**
  Submission of abstracts in Word- and PDF-format (max. one DIN-A4 pages)
- **02 June 2017**
  Notification of the abstracts
- **15 September 2017**
  Complete author-prepared electronic version of the fullpaper in Word and PDF format (max. eight DIN-A4 pages)
- **30 September 2017**
  Deadline for online-registration and bank transfer of conference fee
